

FBR Foundation meeting held

A meeting of FBR Foundation was held here with Chairman FBR/FBR Foundation Dr. Mohammad Irshad in the chair to review progress on providing affordable medical and housing facilities to the members of the Foundation.

Members of the FBR Board and CEO of FBR Foundation, Mr. Saleem Ahmad Ranjha were also present. The meeting was briefed on various measures taken by the Foundation to provide cheaper and affordable medical services as well as provision of easy and soft loans to small-cadre serving and retired employees of the FBR. Proposals for starting residential schemes for the Foundation members were also discussed. The Chairman advised the Foundation office-bearers to explore further options and opportunities for provision of basic amenities to the members of the Foundation.
